

PyCon Austria

April 6 and 7, 2025 | University of Applied Sciences Burgenland | Eisenstadt, AT

Sponsor packages

Version 1.0

Join PyCon Austria 2025 as a sponsor

PyCon Austria is where the Python community comes together to network, learn, share ideas, and forge new relationships. This gathering of developers, educators, and industry professionals is made possible through the generous support of our sponsors.

As a sponsor, you'll have unique opportunities to connect with the vibrant Python ecosystem, showcase your brand, and contribute to the growth of open-source technology. Whether your goal is to recruit talented developers, promote your products and services, or simply give back to the community, PyCon Austria is the ideal platform.

Make an impact

Sponsoring PyCon Austria is more than a marketing opportunity—it's a chance to support a thriving community and be part of a conference that inspires collaboration and innovation. Join us in Eisenstadt, April 6-7, 2025, to connect, engage, and make a difference.

Benefits for sponsors

- **Reach and visibility:** gain access to a diverse audience of developers and tech enthusiasts, generating qualified leads and elevating your brand within the international Python community.
- **Brand strength:** align your company with Austria's most prestigious Python conference, strengthening your corporate identity and industry recognition.
- **Recruiting opportunities:** meet qualified Python professionals face-to-face, making PyCon Austria an excellent venue to connect with potential hires.
- **Community support:** demonstrate your commitment to the open-source Python ecosystem by directly engaging with the communities driving innovation.
